

SUNREEF 100

The Sunreef 100 is an avant-gardist sailing superyacht designed for long offshore cruises in supreme luxury. This all-round seaworthy catamaran combines the best of marine hi-tech with custom-tailored design. She boasts immense living space and vast alfresco lounging areas including an imposing flybridge and bow terrace.

The yacht's interiors and alfresco lounging spaces allow infinite options for customization. While providing luxurious accommodation for up to 12, the Sunreef 100 offers full freedom for bespoke layouts which can incorporate a spa area, an office, a drinks bar or fitness room.

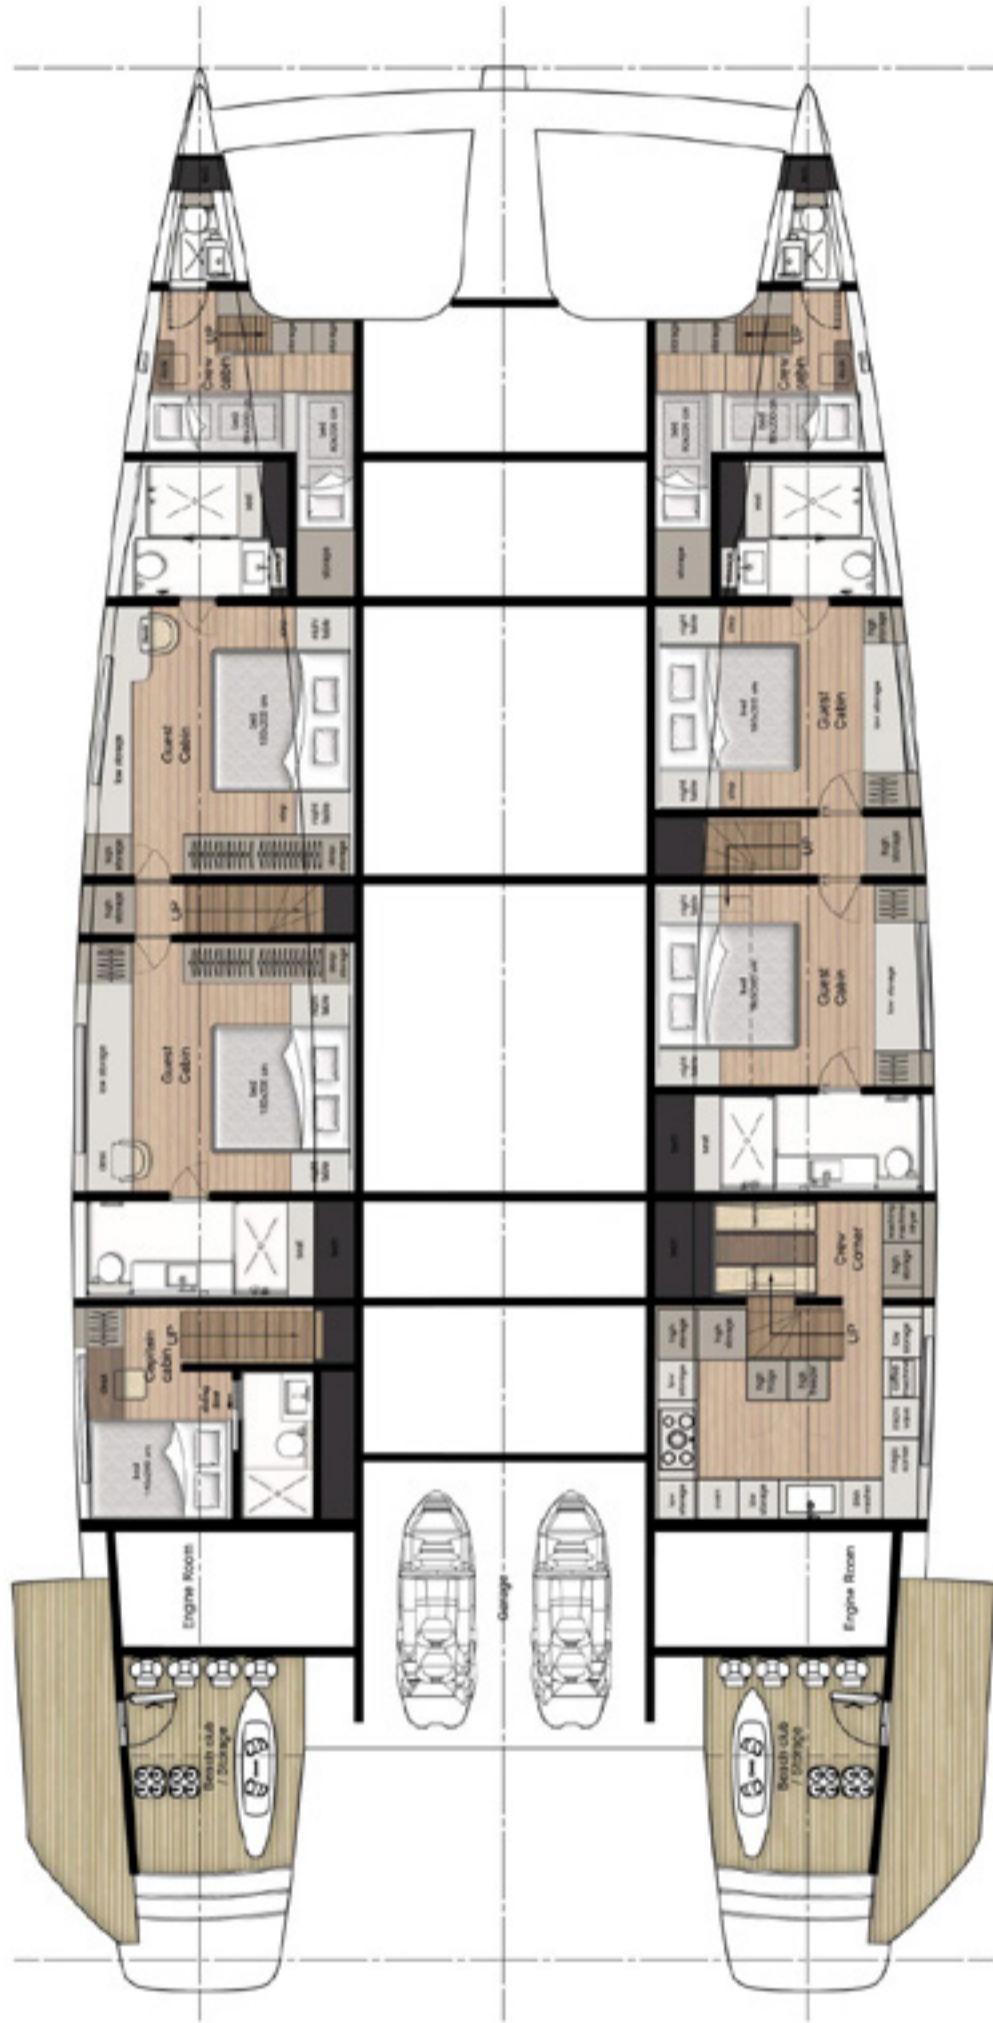

Thanks to an innovative aft garage, the Sunreef 100 can easily carry and launch two large jet-skis among a large variety of water toys on board.

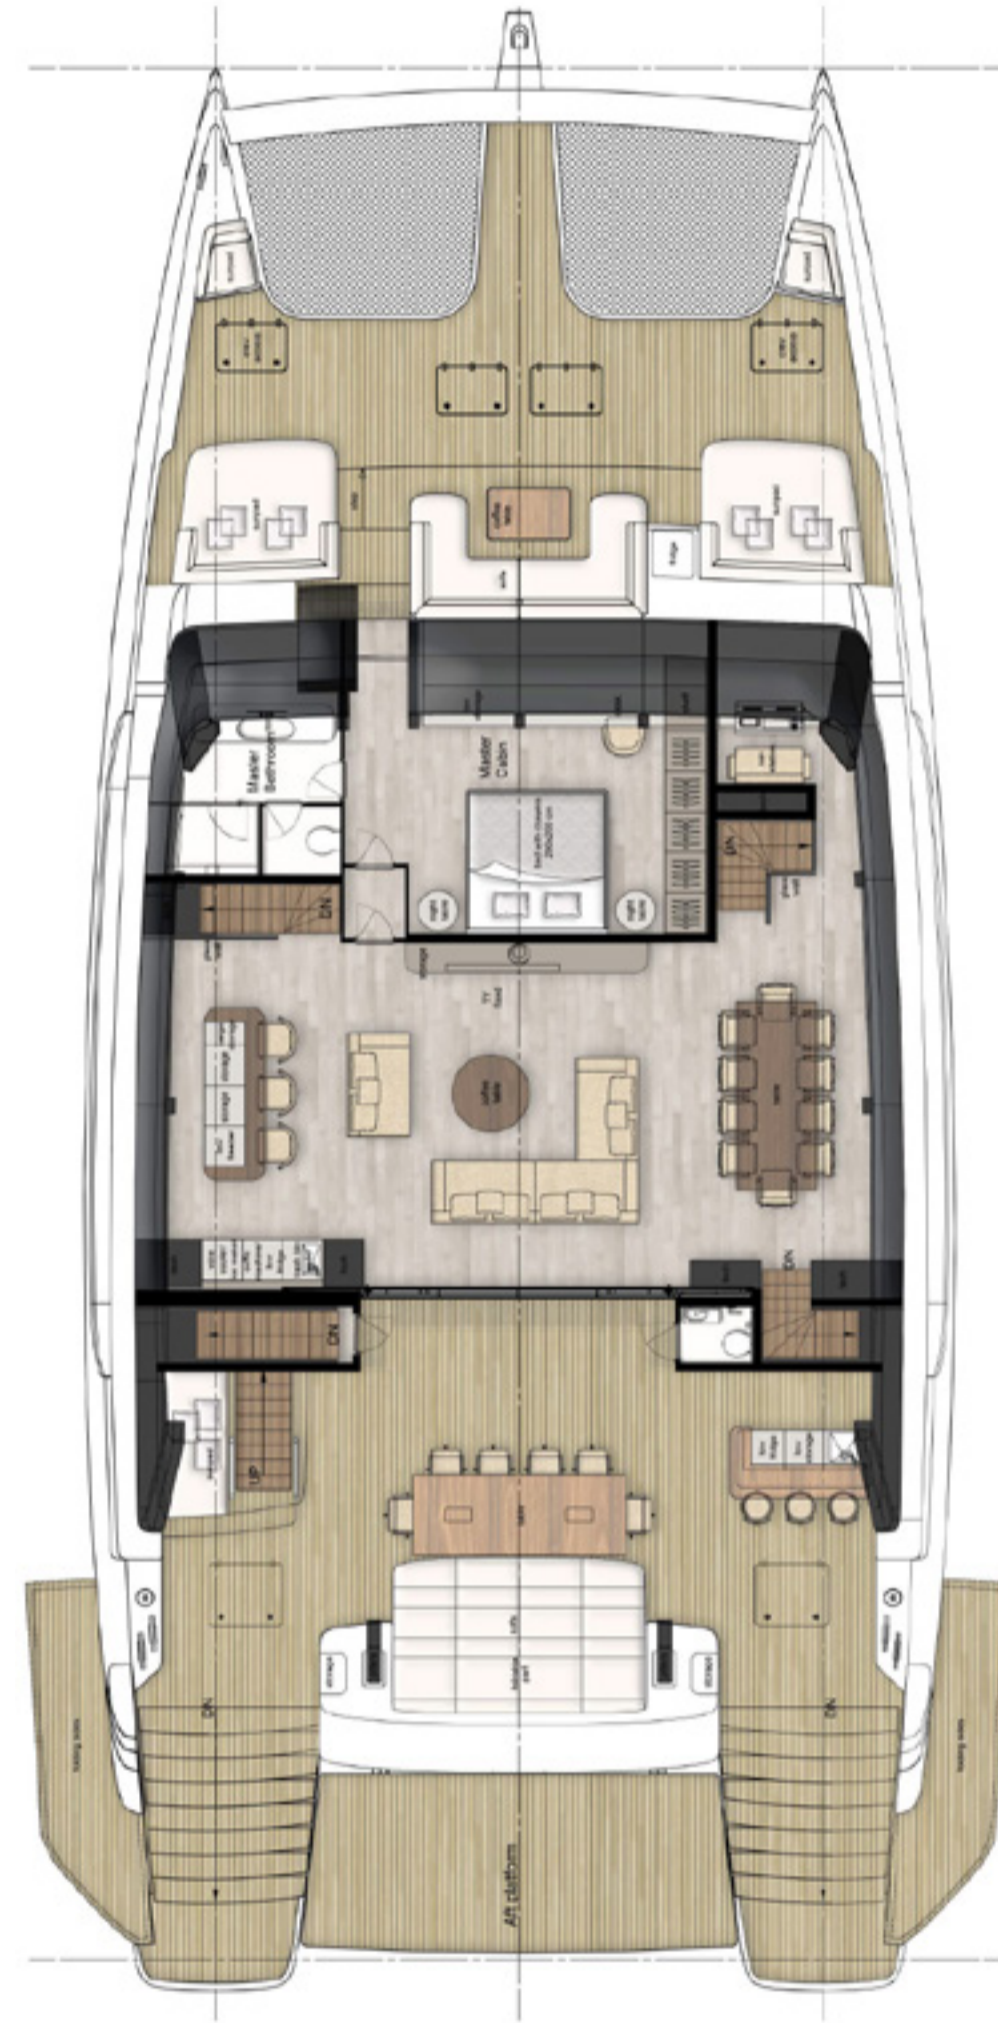

The yacht's hydraulic aft platform doubles up as a beach club when lowered, providing plenty of space for relaxation and water sports.

# SUNREEF 100 ECO

 Sunreef Yachts Eco

With cutting-edge green tech and imposing living space, the Sunreef 100 Eco is the essence of sustainable superyacht design. Fitted with twin 180kW electric engines and using Sunreef Yachts' revolutionary solar power system, this all-electric luxury craft offers a complete zero emission yachting experience.

Sunreef  
Eco

Thanks to the shipyard's award-winning technology the craft can welcome up to 242,5m<sup>2</sup> of composite-integrated solar panels, generating up to 45kWp.

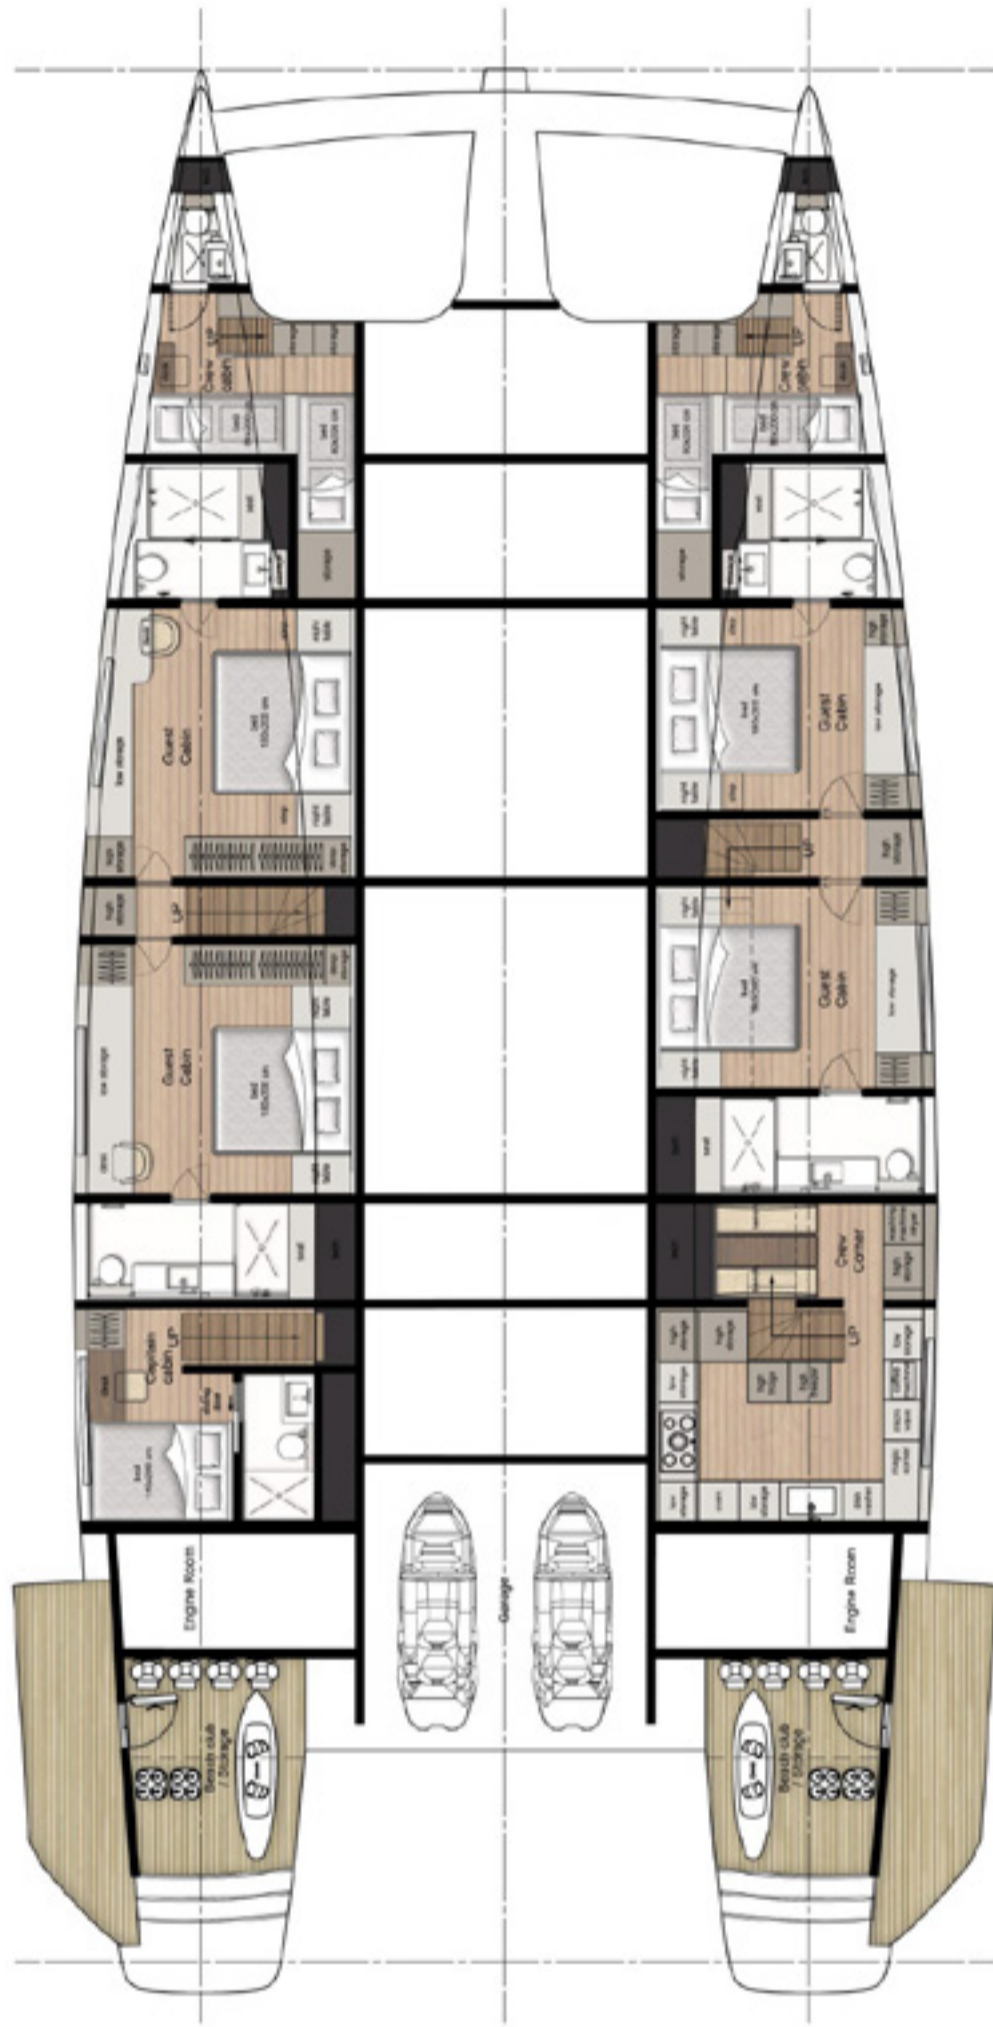

100 Sunreef Eco

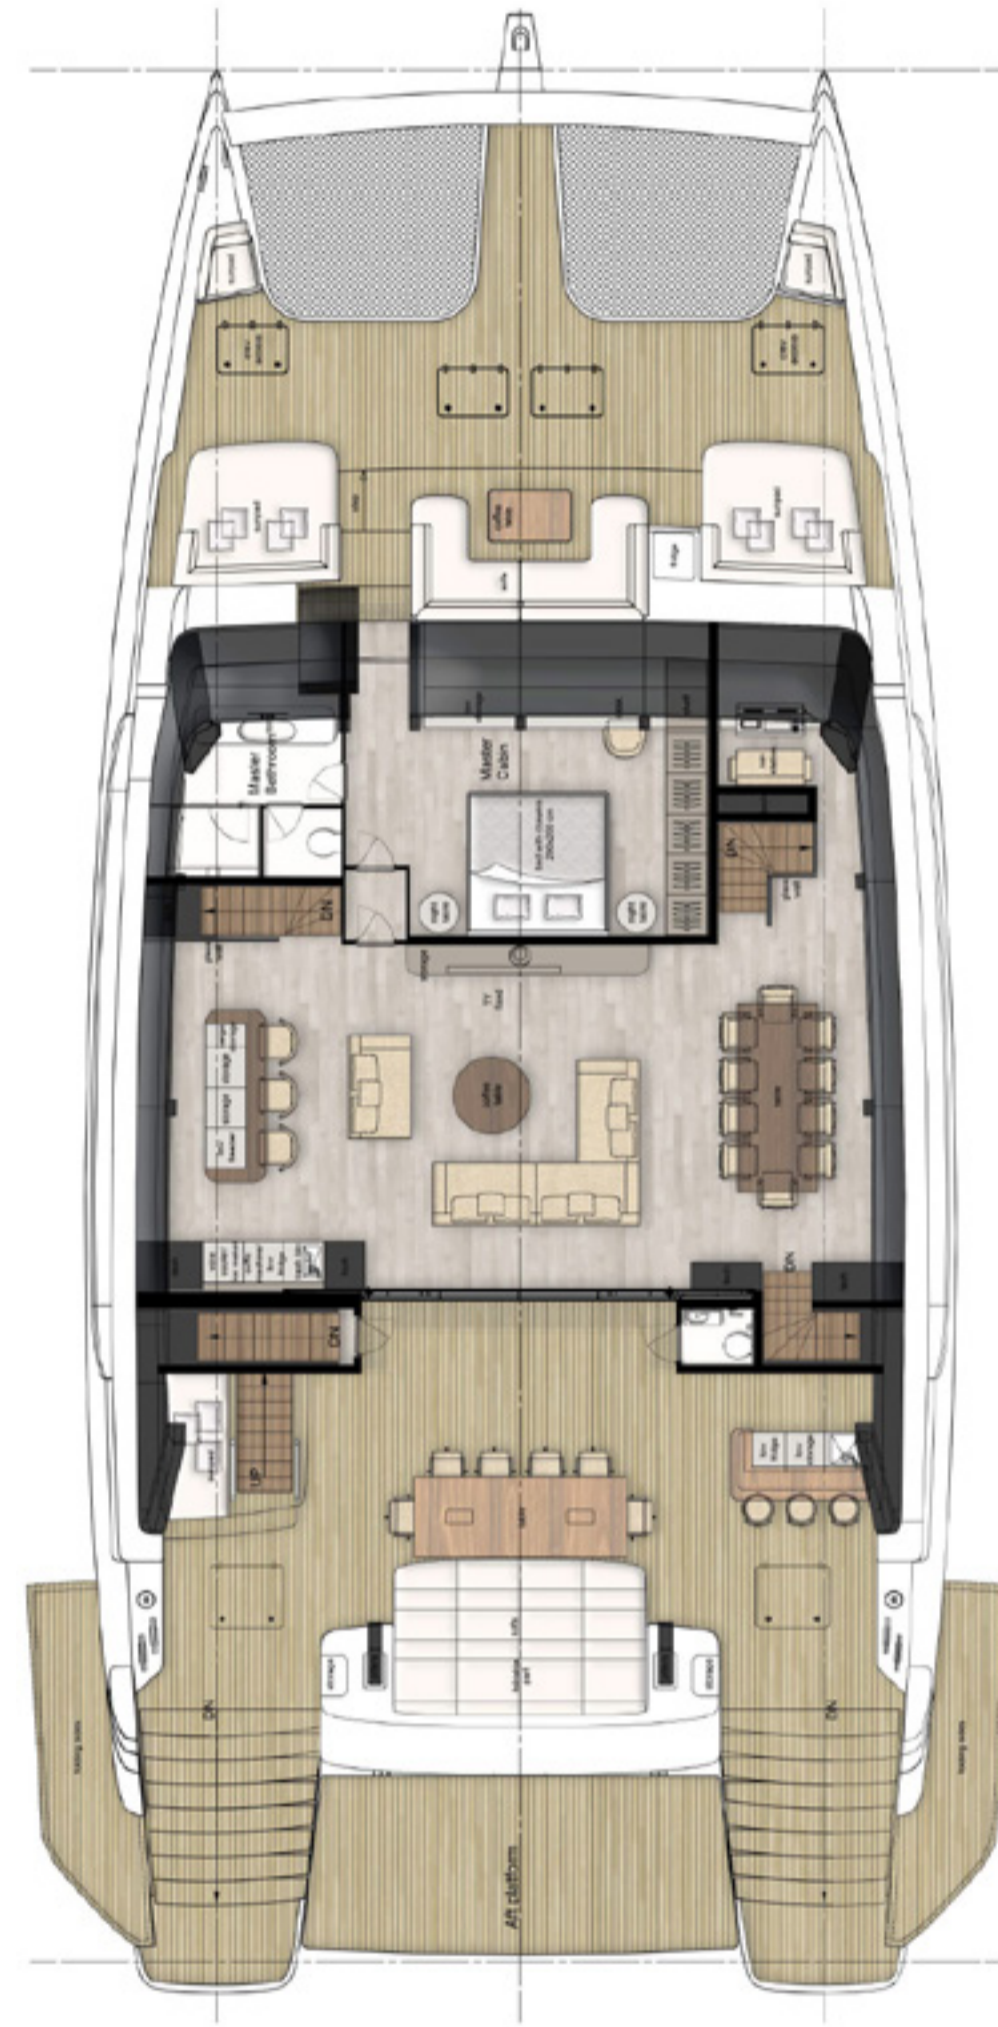

## A BLEND OF LUXURY AND SUSTAINABILITY

Following the Sunreef Yachts Eco philosophy the Sunreef 100 Eco offers a variety of responsibly sourced or recycled finishing materials and an ultramodern, energy-saving air-conditioning system.
