Description

The **Bali 4.2** is a versatile and modern catamaran that integrates the characteristic Open Space concept of Bali, eliminating barriers between indoor and outdoor spaces. With a length of **12.85 meters** and a beam of **7.08 meters**, this model combines comfort, functionality, and innovative design, ideal for sailors looking to maximize space and comfort.

Main features:

- **Unique design:**
 - A swinging door connects the salon with the aft cockpit, creating a fluid space.
 - Sliding side and front windows that maximize ventilation and natural light.
 - Rigid foredeck with lounge area and sunbathing space.
- **Layout options:**
 - **3 cabin and 3 bathroom version:** Ideal for private use with more space in each cabin.
 - **4 cabin and 4 bathroom + crew cabin version:** Perfect for charters or large groups.
- **Capabilities and performance:**
 - Fuel tank of **600 liters** and fresh water tank of **860 liters**.
 - Equipped with Yanmar engines of 45 HP as a superior option.
 - Total sail area of **85 m²**, with a fully battened mainsail and a self-tacking jib.
- **Comfort and equipment:**
 - Kitchen equipped with gas oven, refrigerator, and 336 L freezer.
 - Raymarine navigation systems, including autopilot and plotter.
 - Solar power options and fans for greater autonomy.

The **Bali 4.2** is an excellent choice for those looking for a compact yet spacious catamaran, designed for long voyages or coastal sailing with friends and family. Available for delivery in 2025, it is designed to meet the needs of both private owners and charter operators.
