Description

The **Bali 4.6** is a state-of-the-art catamaran that combines **comfort, innovation, and space**, ideal for enjoying the sea with total freedom. Its design offers a seamless connection between the different areas, optimizing circulation on board.

In the **foredeck area**, there is a spacious **cockpit with a lounge area and a sunbathing deck**, perfect for relaxing and enjoying the views on sunny days. It is accessed directly from the large salon through a **wide door**, ensuring total integration between the spaces. Additionally, it features a **bar between the kitchen and the forward cockpit**, facilitating service and socializing on board.

At the **stern**, the Bali 4.6 offers **large benches and spacious lockers** to securely and neatly store all your belongings. Its **sliding door** allows for easy closure of the cabin, providing greater protection and comfort.

The **wide and clear side passages** ensure smooth access from bow to stern, enhancing mobility and safety during navigation.

A catamaran designed for those seeking **luxury, functionality, and maximum enjoyment at sea**.
