Description

Configuration: 6 cabins, 6 bathrooms

Innovation: Dimensional bow bathtub connected to the salon.

The Bali 5.4 is characterized by a large salon/kitchen/stern bathtub space, all on a single level, and a fully accessible bow bathtub from the open salon.

Leisure: The flybridge with panoramic views and extraordinary dimensions

You will enjoy large leisure and relaxation spaces typical of larger vessels.

Comfort: the sum of great benefits

- integral deck without trampoline, a feature of the Bali Catamarans range
- Salon/Stern entirely without bulkheads with a swinging door
- Salon table for a total of 12 diners

Functional side: exceptional autonomy

With the Bali 5.4 you will enjoy exceptional energy autonomy, climate control, and fuel, as well as simple maneuverability that will allow you to navigate with a reduced crew.

New Bali 5.4 Open Space

INCOMPARABLE BECAUSE IT'S UNIQUE !!

Designed by Olivier Poncin and Catana's R&D department, the BALI 5.4 Open Space is characterized by very ergonomic living spaces which are entirely free of bulkheads.

In addition to the recognized innovations such as the rigid forward cockpit with lounge area and sunbathing area; the new platform linking the two sugar-scoops with large bench seat and lockers; the large tilt-and-turn door and sliding windows; and a panoramic relaxation area on the coachroof, the BALI 5.4 offers new access to the forward cockpit by and interior door and cabins by panels opening onto the aft cockpit.

And of course, the safety and performance you would expect from CATANA design !!
